Jack worked in a factory In a big city. He liked fishing very much and was very good at it. Whenever, he was free, he went down to the small river behind the factory and tried to catch some fish, but there were very few there, because the water was dirty. Then one summer he went to the seaside during his holidays and stayed at a small cheap hotel "I have never fished in the sea before, he thought". It will be rather different from fishing in our river. On the first day he caught a lot of fish and was very happy. He gave them to the hotel. They cooked them for all the guests, and they enjoyed them very much. After that, he did this every day. However, when Jack got his bill at the end of the week, he saw on it "for oil to fry fish (7 days): 3:50 dollars"

- 55- Where did Jack work?
