Reading :

Culture is a system of shared beliefs that are common in a society. Often, we think of the food, music , clothing, and holidays that are common in a society as its culture, but these are only some of the elements. Other elements include customs, values, behavior, and artifacts. Culture is, therefore, a combination of thoughts, feelings, attitudes, and beliefs.

With more than 190 countries and 7 billion people on earth, it is not hard to imagine that many cultures exist. No matter where you go around the world , you will face people, lifestyles and cultures that are different to what you have. People around the world have very different lives and ways of living. They have different beliefs and customs. So they usually live and behave according to what they believe to be right and wrong.

38)What is culture ?

39) The word **it's** in paragraph one refers to.....

a)culture b)system of beliefs c)society d)shared ideas

40) Which one is not an element of culture ?

a) cars b)behaviors c)clothes d)attitudes

41)People around the world have the same lifestyle . **T** **F**

42) Food , music , and holidays are the only elements of culture . **T** **F**
