11	<p>Reading 2</p> <p>Tilework is very popular in Iran. It is popular for two reasons: first it is used in different parts of apartments and houses including bathrooms, toilets, and kitchens. Second, it is used as a decorative art in buildings, mosques and Holy Shrines. Besides, there are many stores and restaurants that use tilework to make their place look traditional. The word "tile" in Persian means / kashi /; it comes from the city of Kashan in Iran. Because it was first popular to use tilework in this city in the past. But today Yazd is the most important region to produce tile in Iran. There are different kinds of tiles in the tile bazar. It just depends on your needs and interests: for example, tiles with painting and different colors are good for restaurants and shops, tiles that have calligraphy on them are good for mosques, mosaic tiles are good for buildings, tiles with animations are good for bedrooms or children rooms, and many others.
