*Read the passage carefully.*

**Dr .Mohammad Gharib was born on July 5,1909. After completing high school in 1927, he went to France ,where he studied medicine for two years and then went to the Paris University Medical School. When he came back to his homeland, he taught medicine to thousands of students. In 1941 , he was the writer of the first Persian textbook on disease of children. He was an important person in modern Iranian medicine and was regarded as the ‘Father of Iranian Pediatrics’. He died of cancer in Tehran on Jan,20,1975.**

*Now generate some questions using the following question starters .Then answer them.*

**Who.....?**

.....

**Where.....?**

.....

**When.....?**
